## **Texas Big Game Awards Announces New Rules for 2017-18 Season**

**San Antonio** – Celebrating its 27<sup>th</sup> year, the Texas Big Game Awards (TBGA), a partnership of Texas Parks and Wildlife Department (TPWD) and the Texas Wildlife Association (TWA), continues to be the leader in recognizing the contributions that landowners, land managers and responsible hunters make to managing and conserving wildlife and wildlife habitat on Texas' private and public lands.

To kick off the 2017-2018 hunting season, the TBGA has re-established the program's objectives and modified entry requirements. The purpose of the TBGA is to make everyone aware of the important role ethical hunting and habitat management play in the lives of our young people, and to the ecosystem over which we must be responsible stewards.

To do that, the TBGA's objectives are to recognize:

1. The importance of our hunting heritage.
2. The landowners who work to achieve healthy habitats.
3. The quality of big game animals in Texas.
4. The achievements of young and new hunters.
5. The hunters who harvest these animals.

In an effort to re-focus on the TBGA's objectives, the program will no longer accept "scored entries" from release sites for five (5) years following the last release date. This will affect all properties with pen-raised, Trap/Transport/Transplant (TTT), and/or Deer Management Permit (DMP) deer released after March 1, 2017. Also new for this season is the addition of the javelina to the Texas Slam award category. And finally, hunters will now be limited to one Texas Slam award per harvest means (rifle and archery only) in their lifetime.

### *About the Texas Big Game Awards:*

*Under the Texas Big Game Awards (TBGA) program, awards are given to all "Scored Entries" that meet minimum regional requirements, and there are no entry fees.
