Texas Big Game Awards is a hunter and landowner recognition program designed to promote big game hunting in Texas through the promotion and encouragement of sound habitat and wildlife management. The program recognizes:

- 1) The quality of big game animals in Texas
- 2) The hunters who harvest these animals
- 3) The land managers who produce these animals
- 4) The importance of our hunting heritage
- 5) The achievements of young and new hunters

### First Big Game Harvest

- Any hunter, regardless of age, who harvests his/her first lifetime big game animal in
   Texas during the current year's hunting season is eligible for recognition.

The animal must have been wild-raised. Animals that were born or bred in captivity and subsequently released into the wild are not eligible; the animal must not have been trapped and/or released at any time during its life.
  - Entry forms are available via the website or through the TPWD, TWA or any certified TBGA scorer.

The animal must have been wild-raised. Animals that were born or bred in captivity and subsequently released into the wild are not eligible; animals must not have been trapped and/or released at any time during its life.
