

TEXAS BIG GAME AWARDS

The Texas Big Game Awards (TBGA) is a partnership of the Texas Parks and Wildlife Department (TPWD) and the Texas Wildlife Association (TWA). The TBGA has re-established the program's objectives and modified entry requirements. The purpose of the TBGA is to make everyone aware of the important role ethical hunting and habitat management play in the lives of our young people, and to the ecosystem over which we must be responsible stewards.

To do that, the TBGA's objectives are to recognize:

- 1. The importance of our hunting heritage.
- 2. The landowners who work to achieve healthy habitats.
- 3. The quality of big game animals in Texas.
- 4. The achievements of young and new hunters.
- 5. The hunters who harvest these animals.

Under this program, awards are given to all "Scored Entries" that meet minimum regional requirements, and there are no entry fees. Hunters who harvest a white-tailed deer, mule deer, pronghorn antelope, javelina, or desert bighorn sheep this season meeting the minimum net Boone and Crockett score requirements for their respective Region may be eligible to receive recognition in the "Scored Entry" category, as well as the landowner of the property from which the trophy was taken. There are also Youth Division and First Big Game Harvest categories.

Texas Parks and Wildlife Department and the Texas Wildlife Association wish to thank the Boone and Crockett Club (B&C) for use of its scoring system and full cooperation in this program.
